BEST BET OF DAY

Race #7

Pemaquid Sally

Has run against much tougher, including the best 2 year old filly of last year here at Presque Isle, Amy Farah Fowler. Back to Back Bullet works in the morning. She looks like the best against her fellow PA Bred's in this contest.

SPOT PLAY

Race # 6

(5) Kate's Golden Dude

He comes into tonight's race after a strong winter campaign at TP. Seemed to like the Synthetic surface and exits his last race there (AOC \$40K) finishing a strong second. 50% in the money on a Synthetic surface. If the track doesn't play front end favoring tonight, he's a synch in this spot. Gets Pino in the Irons, and his type of riding will suit the way that this horse runs.
