BEST BET OF DAY

Race #5

IM CHILLIN

Owner/Trainer Ron Potts has this boy prime and ready to go in this spot. He just missed last out at Tampa and has proven that he can run over this strip at PID. Race sets up perfectly with a ton of front end speed, and this horse looks to pick up the pieces after the meltdown.

Race # 1

STARDOZA

Needed a tightner last out at Tampa, she cuts back in distance to a track that she loves. She gets regular pilot Morales back and with her back class she looks to be the best in this contest.
