BEST BET OF DAY

Race #5

(7) DHAFEERA (GB)

Conditioner Brett Santangelo has this mare tight and ready to go. A beaten favorite last time, she is on the drop and looks to make short work of this field. It will be catch me if you can in this contest, and it doesn't look as if they will catch her. Love her as single in exotic plays, including pick 3's and pick 4's.

SPOT PLAY

Race # 7

(3) Sugar Cane Girl

Gets some class relief here and will be closing hard in this 1 mile event. Bred to like this surface, Sugar Cane Girl should be a natural here and get the win. She will need a little pace to run at here if she wants to sweeten the pot for her backers. Gets usual pilot Willie Martinez.
