BEST BET OF DAY

Race #4

(2) Queenofthekingdom

This Filly absolutely loves this surface at PID. 100% in the money here, she has been running out of town, but should be tight and ready for her 2019 PID debut. Her last start here was a winning one, and she is coming out of the red hot Brooks Barn.

SPOT PLAY

Race # 5

(7) Red Angry Bird

Exits a very nice effort last race, and even though he was beaten there by Dobby Hasno Master, (back in this very race) Red Angry Bird should find himself in a very good spot due his tactical speed and the very possible speed meltdown on the front end between Dobby Hasno Master and Solitary Jack.
