BEST BET OF DAY

Race #6

(8) AMIGO'S AFFAIR

He is the speed of the race, and was just beaten last out after having a long layoff. The Bourke trainee has the best speed figures of any horse in the race, and with his speed he may just grow a huge heart when found alone on the front end, and never look back taking this contest gate to wire.

SPOT PLAY

Race # 8

(9) Tinitus

Ran a massive race last out, winning in 1:11 3/5 let go at huge odds, I am a believer in this Dave Markgraf trainee. He is an older hard knocking type of horse, that seems to have found new life with the trainer change and surface change.
