## BEST BET OF DAY

### Race #5

#### (2) The Kid Rocks

The Darien Rodriguez Barn is en fuego, right now. Everything that he sends over trackside always hits the board. He exits the same type of race in Tampa only beaten two lengths. He should be the best here and if he runs back to his maiden win, he will crush this field.

## SPOT PLAY

### Race # 1

#### (5) Yes It's Erie

Teresa Connelly has done a great job with this mare, now with earnings over \$131k. She's 16 of 22 ITM on the Tapeta and 7 of 10 ITM at the distance. She has won off of the extended layoff before, so today is not a concern. The conditioner has exercised the waiver, so it shows that she likes her and her chances even more today. She looks to be the best of the field.
