## BEST BET OF DAY

### Race #3

**(1) Noble Weed**

This horse ran a massive race last out and looks to graduate today. Ron Potts has him tight and he gets Gomez back in the irons. He will be at short odds, but use him as a single in your exotic wagers.

## SPOT PLAY

### Race # 5

**(1) I Zoom**

This mare is an absolute Tapeta specialist. 21 out of 27 at PID "in the money" She has shown in the past to be able to come off the bench and still get her picture taken. She gets the rail that she loves and with the defection of Vilaro, she should be alone on the engine out of the gate. All signs point to her winning this contest.
