Race #7

(1) JAGUAR POZ

Exits a strong contest last time out beaten only a head by a very tough competitor named Worbothor. This horse has the credentials to win tonight including a ton of back class. He has run against Graded Stakes winners in his career and now returns to his sweet spot on his home track. He is 100% at 6 ½ furlongs, and he is 10/13 "In the money" at PID.

Race # 3

(1) TINTO MESA

Huge effort last out, and was without a doubt the best horse, but was completely compromised by a tough trip, blocked and could not get up due to that. Looks to be poised to beat this field tonight, and with a clean trip, that should be easy. 19 for 28 "In the money" at PID. Morales back in the irons an added plus.
