Race #6

(2) DYNAMIC WAR

This mare crushed her foes last time out, winning by a huge 11 lengths. Nothing changes and she drops right back into her sweet spot. She's the speed of the race and gets Gallardo back in the Irons. The Stokes barn is firing on all cylinders currently and with that being said she should march to the Winner's circle. She will be at short odds, so she is a definite single in your exotic bets.

Race # 5

(4) STAR EMPIRE (GB)

Brett Santangelo drops this horse back in on the Synthetic, where he excels. He is 1 for 1 (Win) at PID and he has never been off the board on the synthetic. He gets Willie Martinez as the pilot, and the Santangelo barn has been red hot as of late. He will have to stave off Husband's Folly as he will be coming hard down the lane late in this event.
