Race #2

(2) PIZZA MAN PETE

The Wismer trainee looks to add to his resume here, after a third in this same condition (1X) last time out, he now adds distance and when he does, he is 2 for 2 going a flat mile. He looks to be the play in here, so he will be a single in all of my exotic plays as we go forward from this race.

SPOT PLAY

Race # 1

(1) Miss Cindy Lou Who

This Filly drops back down in class to \$5k, she looks to be the absolute best in here, especially with the defection of Takeanotherchance, who is now scratched. Kevin Rice gets aggressive and she gets the "Magic Man" back in the Irons today. Singling her in the first Daily Double plays.
