Race #4

(8) Acrobat

She drops in here for \$12,500 after a lackluster 5th place finish last out for \$25,000. Beat by Donald last out and Neverlookback, who came back last night to break his maiden. Dave Markgraf is having a strong meet so far and he looks like the obvious choice here.

SPOT PLAY

Race # 1

(1) Little Miss May

Eddie Rojas drops her in here for \$5,000, after exiting a very tough 1X, in which she was just outclassed, by Our Promise, Cypress Point and Song of Indy. She is back at a level that will suit her well and I look for her to get her picture taken tonight. Morning Line is 6/1, but I don't see her going off at any higher than 5/2.
