Race #5

(6) TARTAN THE BULL

The speed of the speed in here, and if he runs like he has recently this race is over. He ran a second last time out off of 7 days rest, and that may have been just a little too soon for him and the effort that he puts out. He has now had 15 days off and with that being said, he should be rested and ready to put forth his best effort. He hasn't been worse than second this year at PID.

SPOT PLAY

Race # 4

(6) SIMPLYIRRESISTIBLE

Ran a very strong race last time out against a very tough Comica, who has now won two in a row. She gets Ronnie Allen back as the pilot, and this filly has not been off the board this year at PID. You should get a decent price on this filly today.
