## BEST BET OF DAY

### Race #5

(7) MISS RICKLES

Exits a strong win at Tampa where she drew clear to win by 4 ¾. Loses Gallardo, as it looks for riding obligations and gains Martinez but not a negative. She is 2 of 3 "in the money" here over the PID strip. Massive work on 5/26 working the bullet in :46 flat. She looks to be the best of this group today.

## SPOT PLAY

### Race # 3

(2) BIG MAX

Beaten favorite last out for \$ 12,500 and drops in here to bottom level maidens. A lot of back class with this horse as he has run for much heavier claiming tags. Should be the absolute best in this spot, and it is his to lose against this group.
