*** LONGSHOT SPECIAL

Race #6

(6) BEER TAP

Exits a solid AOC last out only beaten a head by Captain Mad Jack. They went in 1:09 3/5 that day. He gets Spieth back in the irons, on the drop here to the \$25k level, and it looks as if he is a man among boys in this event.

SPOT PLAY

Race # 4

(4) THE FAZZ MAN

Fazz drops into this non-winner in six months after being the beaten favorite last out in the open race. This spot should be a little easier for him, and he is the speed of the race. He gets Gallardo back in the irons, and this looks as if a trip to the Winner's Circle is in his immediate future.
