### Race #7

#### (4) Darcy Mae

Exits a strong win last out beating a very tough Redeem My Heart, who just came back to win an Allowance race. This mare has put up 70+ Beyers each of the last 4 outings and that bests this field. With Asticou Trail scratching, there isn't much to stand in her way. She will be at very short odds, so singling her in exotics is the play here.

## SPOT PLAY

### Race # 5

#### (6) CEE 'N O

Huge effort last out, used his tactical speed and won easily. A class older horse that has made \$212k, and he boasts 15 of 22 in the money here at PID. With the right trip he looks to be the best in this spot once again. Gallardo gets the call for Mike Rogers.
