SPOT PLAY

Race # 2

(5) I ZOOM

The quintessential "HORSE FOR THE COURSE" here at PID! She is 22/28 "In the Money" at PID and 8/10 @ the Distance. She is the speed of the race, and if she gets the uncontested lead, this race is over. Beware there is some other speed in the race and that will dictate what happens here. If she gets the rail and they try to pass her, they better have their running shoes on. She is extremely tough on the lead.
