Race #7

FIRST REWARD

He is an absolute MONSTER here at PID. He just missed setting the track record last time by 2/5 of a second, and comes back into this state restricted race. This horse couldn't be any better right now, and Ron Potts knows it, so the quick return in 9 days doesn't worry me at all. He will most likely be at short odds, but a must use for your exotic tickets.

Race # 2

(7) ASK STACY

Exits a sprint race last time out, where she was soundly beaten there. She now drops in half and enters back into a route today. She graduated by 13 lengths 2 back and conditioner Leland Hayes is 44% after dropping down 2 classes. Overall he is 35%.
