### Race #4

#### TEMPLE CITY STAR

She was just beat a head last out in the MSW. Potts drops her in here for the \$25k tag, as she has some very good back class and looks to be the best in here. She will need to lay a little closer to the pace, due to the race being void of early speed. If she can do that, this will be another checkmark in the win column for Team Potts.

## SPOT PLAY

### Race # 2

#### (2) I ADMIRE YOU

Dan Conway has been shipping in here from Finger Lakes and absolutely killing it. He is currently at 89% in the money here at PID. This filly just missed last out as the Favorite, and it looks as if she is ready to get her diploma today. Gallardo back as the pilot, never hurts either.
