Race #6

(6) Mr. GREY

This horse has done everything right since coming onto the Presque Isle scene. He is 9/10 "In the Money" here at PID and 6/10 at the distance. Riding the 2 race win streak, he looks to make it 3 in a row today with Chilly Willie aboard as the Pilot. There is plenty of speed in this race which he can run at, as he will be coming from off the pace in this event.

SPOT PLAY

Race # 4

(7) SHOWBOATING

Conditioner Matthew Kintz has this horse in the best spot again today. This filly is solid here at this level and this distance. She absolutely drew off last race and went on to win by 6 lengths. She will have still fend off Tapping the Kitty, but that aforementioned Filly has never tried this 6 ½ Furlong distance. Pino gets the call, and I love her chances.
