### Race # 7

#### (4) DARCY MAE

This horse has done everything right since coming onto the Presque Isle scene. 3/3 "In the Money" here and just got beat in the Northern Fling Stakes by Imply, who is probably the best PA Bred Mare in the state. There won't be any looking back here, except by Pablo to see how far behind the others are in this contest.

## SPOT PLAY

### Race # 1

#### (5) SISTER STELLA

This mare is ultra consistant at this level. Conditioner Glenn Wismer has her right and it has paid very nice dividends. She runs against tough horses like I Zoom, and still comes out on top. She looks to be the Queen at this spot, and the others tonight will have to do their best to dethrone her.
