Race #3

STEVIS MAN

An outstanding individual here at PID, he is currently riding a 3 race win streak. He drops in here out of the SOC and into straight claiming, to find a familiar foe in Worbothor. That aforementioned horse should be his only competition in this event, and the last two races he defeated him soundly in both. Conditioner Darien Rodriguez is 27% after winning last race.

Race # 6

(8) I Zoom

Another "Horse for the Course", she is ultra consistent at this level, and is the speed of the speed here. If she can clear the rest of the speed and gets to the rail (which she loves and needs to win) she should gallop home. She is an absolute veteran here at PID with 13 wins here to her credit.
