### Race #6

#### MARGIE IS LIVID

This filly exits the N2L for the same price tag as today. She is stakes placed and has a good amount of back class to her. This looks as if it is a two horse race, between her and Song of Indy. If she can surpass that foe in here, she should be the Victor. In addition, she has taken to the surface like a fish to water so far, and Gomez is back in the irons today. Ron Potts and Villa-Gomez are 5/7 in the money this week.

### SPOT PLAY

#### Race # 7

#### (6) MA DE TAW

This horse drops back into State Bred company after being in open company for the last four starts. She just missed 2 back against a very nice filly, in Pemaquid Sally. She gets Nathan Vickers back as the Pilot in this event, who rode him to that strong aforementioned second.
