BEST BET OF DAY

Race # 6

(1) EDDINGTON'S NOTE

This mare is an incredible money maker for Joe Martin. She is basically an ATM machine for Joe, and she always gives a huge effort. Thankfully, No "I Zoom" in here tonight, (her arch nemesis) so the going should be much easier. She is a versatile type of horse, and should sit just off the pace in here, making her chances of victory all the greater. My pick, here in the 6th.

SPOT PLAY

Race # 4

(8) LINDA'S MUSIC

Teresa Connelly has done a great job with juveniles this year. This daughter of Maclean's Music looks to be the part, especially based on Pedigree. She is out of an El Prado mare, which is fantastic for this surface. We also have seen this Sire's progeny shred the competition here on far more than one occasion. She gets Geo Garcia as the Pilot tonight, and I love his style of riding, as he always tries extremely hard to get the win.
