Race #7

(1) REEDER

This horse has been ultra solid at the \$12,500 level and now drops into the \$6,250 Starter level. He is out of the RED HOT Darien Rodriguez barn and get the #1 Jockey here at PID, in Gallardo. He has never been off the board here, and looks to get another win to add to his resume. A must use for exotics, and a single for your Pick 3's, 4's, 5's and your pick 6.

Race # 2

(1) TRULY STELLAR

This horse won the MSW with absolute ease last out, and now drops to the N2L for \$25k. An aggressive move for the connections, as this horse would fit the Alw 1X condition. Regardless of that, this horse is the pick in here, especially with the speed figure from last race.
