Race #5

(8) BRIDGE DANCER

This horse has been second two times in a row, and looks to graduate tonight in this MSW event. He will have to hold his ground against a tough Cullinan, which he beat last time out, but that foe will be gunning for him. I love that his speed figures have improved 10 points from the first. That is a good indication of an improving horse.

SPOT PLAY

Race # 1

(1) NO INTEREST

She bested Dynamic War last time out, (Her main competition in here) and subsequently got claimed. She switches to the high percentage barn of Darien Rodriguez, and Morales stays aboard as Pilot, after winning with her last time. She should be coming off the pace to capture the victory in this event.
