### Race #7

#### (4) TEMPLE CITY STAR

This horse ran a very good second to Stablemate Sapphire Shilling last time out in this same spot. Conditioner Ron Potts is clicking along at 61% and today he continues to retain the services of Top Jockey Antonio Gallardo. He will have to hold off foe, Hot Traffic, as those two have traded blows before. This rematch is going to be a war of wills between the two. My money is going on Temple City Star.

## SPOT PLAY

### Race # 3

#### (2) BOWMAN

The speed of the race in here, Bowman drops in claiming price and runs against older foes. The age difference shouldn't be a problem, as he has run against older foes in the past. His pace and speed figures are better than anyone else in this race.
