### Race #3

#### (5) ORCHESTRAL

This horse is perfect at the distance, and even though he was beaten last out by Ridge Defense, I am still confident that he will turn the tables this time and win. He is 3 for 3 in the money with two wins at PID, and in addition is 2 starts and 2 wins at the distance. He is the speed of the race and should only have one other horse to contend with (That's Buckbeak) on the front end. He is superior to that one and should draw off.

## SPOT PLAY

### Race # 2

#### (6) HIMMAH (IRE)

The class of the field here, dropping down into \$6,250 from the \$25,000 claiming level. This mare has a tremendous amount of back class, previously racing at Del Mar and Santa Anita. She seems to be fine with this surface, as she broke her maiden here for \$25,000. Morales stays put as the pilot.
