### Race #6

#### (1A) WORBOTHER

This horse is absolutely great at this track. He is 16/18 in the money, with 8 victories. He has been keeping very strong company, with the likes of Stevis Man and Jaguar Poz, a recent stakes winner here at the meet. With several key scratches out of this race, he is the one to beat. A strong single for your exotic plays.

## SPOT PLAY

### Race # 3

#### (5) STRAIGHT MADNESS

This filly drops back into the \$12,500 claiming level, after running a solid third in the \$25k claimer. When she ran in this race 2 back, she absolutely dismantled the field by five lengths. She is 5/6 in the money here at PID and looks to add to that record tonight.
