Race #6

(3) Chic N Wilbur

A very good horse for the course. He is 6/6 in the money here at PID, and that includes 5 of those being wins! He has bested his main competition twice, that being Less Than Perfect. Danny Conway is 66% here at PID and looks to pad his stats this evening. He is certainly a major single in all of your exotic tickets.

SPOT PLAY

Race # 1

(5) STRAIGHT MADNESS

Town Classic drops into this race out of the AOC \$40k, where he ran third. He gets some class relief in here and looks to get lifetime win #5. His record here at PID is very good 3/3 in the money and 3/3 in the money at the distance. HE ran second to the very good Stevis Man two back, and Pablo Morales, gets the call once again.
