Race #5

(6) BRATT STACK

Conditioner Mike Rogers has this horse in great form this meet. She has been on the board three of the last five starts here at PID. She exits her last race a winner with Chilly Willie Martinez in the irons. He returns today, riding absolutely lights out in recent weeks. She looks to be the speed of the race, and if Willie can walk the dog, he could steal this race with ease.

Race # 4

(4) I ADMIRE YOU

This filly drops back down into the lower level claiming ranks from the \$12,500 claimer. Coconditioner Danny Conway is rolling at 69% her at PID this meet. She has only been off the board here once in 3 starts and should be extremely competitive in this spot. Gallardo comes back to ride, which is always a good sign.
