Race #1

(5) CAPT. ZIPPOUNAS

The absolute quintessential "HORSE FOR THE COURSE". He has been nothing less than a machine over this strip. He now has 20 lifetime wins, with 15 of those being here at PID. This horse has not been off the board here this year and should continue his winning ways here.

SPOT PLAY

Race #5

(2) I ZOOM

This quirky mare draws near the rail and has no real speed to the inside of her, which is what she needs to win. If she doesn't get the lead, well then, she just can't win, but if she does and has no horses to her inside, then this race is over. I know that it sounds crazy, but it's just how it is with her. The only one that can out step her might be Bring It On Home, but I just don't see it happening.
