### Race #2

#### BRAHMS BREEZE

It looks as if he needed that last race in order to get fit after being off since September. There is a lot to like here, she ran into a very tough group for her 2019 debut, but drops down to the \$5,000 range out of that SOC \$8,000 race last out (Mini Sala & Jen's Song). He is 2/4 In the money at PID and 5/7 at the distance (3 wins).

## SPOT PLAY

### Race # 4

#### (2) COAL MINERS SON

This horse is absolutely solid here at Presque Isle. He is 2/3 in the money at the track and 4/7 at the distance. He was claimed last time out and if he remains at the same level as when he was claimed, he should defeat this field.
