### Race #6

#### DYNAMIC WAR

This horse is ultra tough at this level here at PID. Conditioner Lance Stokes tried to sprint her last time and found out that is just not her game. She goes back to routing today and looks to be the best here in this heat. She won't have the speed to herself though, as Racinrosemary is going straight to the front. Let's see if she can sit just off the pace and pounce when it's needed.

#### SPOT PLAY

##### Race # 1

#### (4) ANOTHER TRY

This horse cuts back in distance today to where he won at 6 furlongs. He just missed last out in the Alw 1X, and he retains Pino, who jumps off the 1 to ride this horse. Great record at PID and looks to win the PA Bred 1x today.
