Race #7

(4) TUDOX EXPECTATIONS

Tudox Expectations has been a very nice horse from day one, he is an open stakes winner and multiple stakes placed. He tried going long in the stake 3 back, but that was not his game. He went back to sprinting, and has done a great deal better. He was just beaten a neck last out by a very solid Piper Hill, while closing like a freight train. He adds the extra ½ furlong today and should be as tough as nails in this event.

SPOT PLAY

Race # 5

(6) THE KID ROCKS

This Darien Rodriguez trainee, drops down here from the \$25,000 level and attempts to make it 4 in a row. He has beat several common foes that he faces today, and looks to be the even money (or less) winner in this spot. A must use for all of your exotic plays.
