## BEST BET OF DAY

### Race # 5

#### (5) NEW YORK GROOVE

A first out winner, New York Groove returns to face other winners in this AOC event. This horse was so professional on her debut, and ran the 5 ½ Furlongs in very good time, 1:04.54. She looks to add to her resume today, and if she runs back the same way as she did on her first trip to the racetrack, then she should be a winner for Trainer John Bourke and Pilot A. Gallardo.

## SPOT PLAY

### Race # 1

#### (4) MARMALADE

This mare drops to the lowest claiming level that she has ever been. Won the open \$8,000 last out and now makes another drop down to the bottom. She looks to be the absolute class in this spot and should beat this field. She may have lost a step over time, but still should be able to best this field. Gallardo returns as the Pilot for Conditioner Darien Rodriguez.
