Race #7

(1) NAVY ARMED GUARD

Trainer Joan Scott won the AOC last time out with this horse. She brings him right back and he looks to be the best in here tonight, although it won't be easy. He has shown an affinity for this course and continues to have strong speed figures each race. The pick tonight for the victory in this very salty race.

SPOT PLAY

Race # 5

(3) SONG OF INDY

Conditioner Mike Rogers drops this very nice filly into the \$12,500 claimer tonight after cutting her price in half. She takes off the blinkers tonight, and looks to get back on the winning track. This filly has a tremendous amount of back class and this is the cheapest that she has ever been in for.
