Race #1

(1) BOLD CITIZEN

Trainer Joe Martin has started this horse two times here at PID, and she has improved in each of those starts. Only beaten 1 ¼ lengths last time out, she is back in at the \$12,500 level and looks to be ready to graduate tonight against this soft field of maidens. Leading Jockey Gallardo gets the mount again, and with that being said, all systems are a go tonight.

SPOT PLAY

Race # 5

(10) GREATEST GAME

Conditioner Tim Girten drops this class older horse into this spot tonight after being beaten by three lengths in his last race for the \$8k tag. He has a great deal of back class and just needs to return to his older form in order to win this soft spot tonight. He attracts one of the top riders here in Pablo Morales. He is 18/25 In the Money here at PID.
