Race #3

(3) DRAMA RUN

It looks as if this horse is in very good form as of late. After winning for \$12,500 Conditioner Justin Johns drops this filly in for the \$5,000 claiming tag. She loves the synthetic surfaces and when she ships into PID she does extremely well. She is 3 of 4 "In the Money" here at PID and 2 of 3 at the distance. Look for her to be less than even money in this spot.

Race # 1

(3) MORE THAN PRIDE

This son of More Than Ready is poised to graduate this evening, after that very good effort last time out, to only get beat a head. In addition, this is the only horse in the field that has gone a route of ground. He was 11/1 that day, but you won't see double digits on the TOTE tonight. Morales comes back and looks to make the Godolphin Blue victorious.
