Race #3

(1) FIVE O ONE

Trainer Rory Barron made a very sharp claim last time two races back. He ran the horse on the rise in the SOC \$6,250 and was only beaten $\frac{3}{4}$ of a length by a very good Jen's Song. Entered back into this race for the \$6,250 tag, he faces a much softer field today than last time out. Erin Walker is back as the Pilot in this event.

Race # 2

(6) HALO'S FOR DUDE

Conditioner Maria Bowersock drops this horse into the \$6,250 Maiden level after running a strong 2nd in the \$12,500 level. This filly has a ton of back class compared to the other participants, and should graduate in from the claiming ranks today.
