Race #7

(9) TEXAS MUSIC

This mare is an absolute fireball, with speed to burn. No one can outfoot her tonight, and the post won't hurt her. She has a fantastic pedigree for this surface on the top and bottom sides of the pedigree. Her last two works have been bullets, as I wouldn't expect anything less than that from her. She's back home where she is 9 of 11 "In the Money" and looks to be the Queen this evening. Start the Coronation...

SPOT PLAY

Race # 1

(2) Temple City Star

Conditioner Ron Potts brings this charger back home to a place that he likes much better than the last two spots (Del, Tam). 5/6 ITM at PID, he attracts the Meet's leading rider Pablo Morales. I loved his effort in that last PID race against a very good "Caloric" and "Savage Nation", beaten less than 4 lengths in that ultra tough 1X. He's poised to win the N2L tonight.
