Race #3

(3) JOHN'S ROCK

This son of Bernardini ships into PID with a tremendous amount of back-class. He ran a very solid third last out against a salty bunch at AP. He won the AOC three back and second the race before that to a very good High Holy on the Synthetic at TP. If he uses his class, and his love of Synthetic surfaces, (3 for 3 ITM) he should have no problem finding the Winner's Circle this evening.

SPOT PLAY

Race # 1

(4) TOUCH OF LA GREY

Conditioner Eddie Rojas sends Touch of La Grey to post in this spot after a very nice win for the Maiden \$7,500. He's being smart and conservative putting the horse into the race that could yield a win. No doubt he will be the favorite at post, but even at short odds he is a must play in this race and a single in your exotics.
