Race #2

(1) INDIAN TANGO

Indian Tango makes his return back to PID after a solid PID meet last season, in which he won the PA Bred 1X. After getting beat up a little at PEN, PID looks to be a welcome retreat (in this PA Bred) against a less accomplished group. Leading rider Morales stays aboard, which is a good sign for the connections, and in addition, the second place finisher in that 1X event, that Indian Tango won here last year, just came back to win an open race last week.

SPOT PLAY

Race # 4

(5) GOLDEN EMPEROR

Back in the same spot after a solid third place effort, Golden Emperor looks to make amends in this event tonight. Adding a little more distance this evening (Where he has 4 wins) may help and soften up the fractions just a little. He will be pressed by Amigo's Affair, but Emperor already has a "Trip over the Strip" and that may make all the difference in this matchup tonight.
