(3) SUMMERFEST

Quite often everything in life comes down to family. Well welcome to the family Summerfest. Your BIG Brother Jaguar Poz is in tonight and looks the best in his spot, and in addition he has been a Stakes horse here for years. You are trained by one of the best 2 yr. old trainers in the country. Your morning workmate, that you matched steps with each morning dismantled the 2 yr. old fillies yesterday. Loving your chances to graduate early.

SPOT PLAY

Race # 7

(1) JAGUAR POZ

Dropping in here for a tag, Jaguar Poz was not eligible for the condition. He is ultra competitive, and has been running against some very tough company as of late, and adds some much needed distance this evening. He is 2/3 at this distance and 12/15 here at PID. A stakes winner last year, and an earner of almost \$200k over this strip, his accomplishments eclipse those of his foes in this race. A serious older horse with great credentials.
