Conditioner Joe Martin, reached in and grabbed this horse at OP this winter for the small sum of \$6,250 and the horse has been an absolute machine since then. He is a man among boys at this level, by one of the best sires of current times (Curlin), this horse beat a very good crew last out. Runner up Hey Big Guy, came back to win the Starter last night. Morales back in the irons, and it looks like all systems are a go tonight.

SPOT PLAY OF THE DAY

Race # 3

(8) ZIDIKAI

This PA Bred comes into this race after being on the KY circuit for her entire short career. She ran into Swiss Skydiver her first race and paid the price. She now finds relief among her own kind in this PA Bred MSW. A very solid work of 47 & 1/5 on Aug 14th, she looks as if she likes her new surroundings. She's by Noble Mission, and his progeny love this surface and the Dam side is outstanding for the Tapeta.
