SPOT PLAY OF THE DAY

Race # 5

(4) POLLOCK

This horse has been knocking on the door each time after that 6 month layoff, A third and then a second respectively. He was beat last out by That's Buckbeak, who has been running very well thus far at his level, and he just beat Go Hippo Go, who came right back and won his next out. He is 2/2 ITM here at PID and 2/3 ITM at the distance.
