Race #6

(6) MIDNIGHT PIRATE

This filly may be better than she looks on paper. Her last two starts had been originally scheduled for the Turf, but were taken off of both of those, and subsequently the filly was beat double digits in both. She won here in her only outing, and was only beaten 4 and 6 lengths respectively on turf. She's back on a surface that she relishes, and you should be able to get a nice price on her tonight. Bred for this surface, she should make tonight's effort a winning one against this group.

SPOT PLAY

Race # 5

(3) GOLDEN EMPEROR

This War Horse is back in a spot which should suit him to a T. He was taken back sharply last race by his pilot for no apparent reason. He is a front end horse with speed to burn, and looks to be the speed of the speed in here, especially with the scratch of Lotta Cool Times. Look for him to go gate to wire in this contest. He is extremely deadly on the front end.
