Race #7

(1) TEXAS MUSIC

Right now she is the **FASTEST** horse on the PID strip. With an abundance of speed this Mare is basically untouchable. She will have to curb that speed just a little if she can, because she does have to contend with Lawn Dart, who can also fly in her own right, but I am not sure that she wants to try and go with Texas Music. You get the meet's leading Pilot Pablo Morales back to ride this very talented Mare.

SPOT PLAY OF THE DAY

Race # 5

(7) CARMEL MARTINI

This horse is an absolute machine over this strip. She is 6/6 ITM including 4 wins, and 5/5 at the distance. We also have a significant scratch out of the race ("A Bit of Both" who would have been the favorite), which Caramel Martini ran second to in the OBS Sprint. She is more than capable of winning here and her Trainer, Lance Stokes is having a career year here at PID.
