Race #1

(2) CAMEL MARTINI

This horse has never been off the board on Synthetic and is 5/5 ITM here at PID. Conditioner Lance Stokes has done a great job with this Mare and she has been working forwardly towards her 2020 debuttonight. She gets the leading Pilot Morales for tonight's assignment and looks poised to start the year off right with a victory.

Race # 8

(1) HUNTIN'THEHOLIDAYS

This horse is much better than his last race. Quite often at PID, at the beginning of the meet, many horses need a "Trip over the Strip". He was only beat 2 ¼ lengths last out. Now he goes back into the same condition against what seems to be even easier company. Not too worried about the #1 post due to running a route. Hoping for the Morning Line price.
