(6) GOOD ON YA

After running second and then winning the State Bred Alw 1X Conditioner Tim Girten comes back into state bred territory for the \$12,500 claiming tag. He is a man among boys here in this spot and should make short work of his foes while playing in his own sandbox (PA Breds). A must use and possible single in your exotic plays, pick 3's, 4's, etc.

SPOT PLAY OF THE DAY

Race # 5

(7) GOHARA

Gohara had a welcome home party last race. After getting beat up at PEN, the Prodigal Son made his return to the great North West, PA that is, and showed the rest of that group nothing but his heals. King Ecliptical looks to be his only competition in here, as both of these horses like the front end, and King will most likely have the lead. If Gohara sits just off of him, he should triumph, due to his ability to carry his speed further.
