Race #7

(6) FAST FIRE

Perhaps one of the best claims that has ever come out of PID. An absolute steal for \$5k last year, Owner Melvin Jackson has ripped it up with his charger since last year. He I perfect ITM 10/10 and perfect at the distance 1/1. He won going 6 ½ F last time out, drawing away at the end. Chilly Willie is back as the pilot and he looks to send Canadian Game North of the Border in this event. This won't be a cake walk, but Fast Fire is up for the challenge.

SPOT PLAY OF THE DAY

Race # 8

(9) GOLDEN EMPEROR

This hard knocking older gelding drops right back into where he belongs. He just missed last out, with a sneaky rail charge by Starry Messenger. He gets in a little easier today, and Pilot Willie Martinez is on the top of his game right now, riding like he is possessed. Look for him to get to the Winner's enclosure against this group today.
